

Price Match Guarantee

Found the same product for less money somewhere else?
Call us or email us with the website, and we'll beat the price!

*some restrictions apply

If you find a service for a lower price on another web site or in a massage establishment, we will match the lower price and offer you an additional \$5 OFF.

Here's How it Works

- The Service must be the exact same Service that we are offering on Service
- It must be a price seen on a web site or store, it cannot be an Social Marketing site, paid membership club or a site like Groupon.
- If a Day Spa, it must be a legitimate store located in the United States.
- Taxes (if any) and shipping charges (if applicable) will be included when calculating the price difference.
- The web site or retail store must be a verifiable Service Provider of the service in question.
- We are able to confirm the validity of the competitor's offer.

How to Claim Your Price Match Guarantee

If you have found the Service cheaper from another [Authorized Service Provider](#), and it meets the conditions above, please call us Toll Free at **877-987-3529**. When you call, be prepared with the following items:

- The Service that you are claiming a Price Match on, as well as the price of the competitor.
- A print copy of the advertisement for the item or the URL of the website where the item can be found at a lower price (Please note that Price Comparison websites are NOT valid for proof from Price Match. Item must be advertised on the Service Provider's own page or ad).
- We will verify the information, and give you a discount equal price difference, and email or call you with your new total. Offer is not valid unless information can be verified by SpiritMassage.com. Please note that this offer is valid for 10 days after you make your purchase.

Price Match Exclusions

- SpiritMassage.com will not match any prices from an Unauthorized Provider of the Service.

- SpiritMassage.com will not match any prices from Independent or Non certified Massage Therapists .
- Social Marketing sites like Groupon and online stores located outside of the United States do not qualify for Price Matching
- Blow-outs, Close-outs, Clearance Items and discontinued items are not valid for Price Match. Item must be currently in Service from the Service Provider in order to qualify.
